PLAN TRAINING  
FOR HONOLULU  
CITIZENS SOON**

**But \$2000 Needed to Complete Fund and Plattsburg Idea Will Follow**

Plans are now under way at National Guard headquarters for putting up to Honolulu's citizen population the question of taking military training of the Plattsburg type in the training camp on Punchbowl.

Of the \$13,500 to be secured for the camp, a small amount is yet to be subscribed, according to members of the committee now at work upon the soliciting campaign. As soon as the total has been completed work will be started to interest citizens in brief training periods there.

Arrangements will be made for week camps or week-end camps, the idea being to instruct citizens in the first principles of caring for themselves in time of war. The men will be taught how to cook, keep camp, and in general how to act in the case of a crisis.

As the regular troops of the guard would be needed on the firing line with the army in case of war, these men, it is pointed out, would be held in reserve and would need to know the elements of discipline in order to be efficient.

The camp site will be large enough to give room for the citizens in training along with the guardsmen.

**MORE ARTILLERY COMPANIES WILL COME TO HAWAII**

That two more companies of Coast Artillery Corps are coming to Hawaii this summer is the belief to be gathered from a special order made public at army headquarters yesterday afternoon, relating to the transfer of officers from the Coast Artillery Corps in the states for duty here. The order reads, in part, as follows:

"Each of the following named officers of the Coast Artillery Corps is relieved from his present assignment, to take effect at such time as will enable him to comply with this order, and will join the company indicated after his name upon its arrival at San Francisco, Cal., en route to Honolulu, Hawaii, not later than July 5. Each officer is assigned to the company indicated to take effect on or about that date."

The two companies are the 2nd Company, Fort H. G. Wright of New York, and the 125th Company, Fort Terry, New York. This will make a total of 10 companies and a band here.

Officers assigned to the two companies are:

Capt. Lawrence C. Crawford, Coast Artillery Corps, to the 125th Company, to take effect upon his relief from the army staff college, Fort Leavenworth, Kan., on or about June 20; Capt. Lloyd B. Magruder, from the 22nd Company to the 2nd Company, to take effect about June 20; 1st Lieut. Hollis L. R. Muller, to the 125th Company, and 1st Lieut. Frank Drake to the 2nd Company.

**DEPARTING SOLDIERS TAKE AUTOMOBILE AND ARE DETAINED HERE**

Three soldiers, H. Anderson, C. H. Morkoff and J. E. McDonald are under arrest today, charged with stealing Fred Makino's auto about 9 o'clock last night from near the Liberty theater and wrecking it on a telephone pole at Nuuanu and Bates streets. The police are today searching for three more soldiers supposed to have been in the party.

The prisoners are all of the 23rd infantry and were to leave on the transport Sherman which steamed for San Francisco at 9 o'clock last night. It is thought they found they were late and made a wild dash in the machine in an effort to catch the boat. Those arrested were taken by Motorcycle Officer Sizemore and are said to have been identified as the ones running from the machine after the accident. The car was badly smashed.
